NOTE

Competitors missing correct sparring and safety equipment when called will be **disqualified !**

NOTE

Be prepared for the „**1-Minute-Limit**“ = does mean, if a competitor misses his call for the match, only one minute countdown extra time is running up to **disqualification**. Any protest against such a disqualification will not be successful !

### -OFFICIAL ETF REGISTRATION CARD for competitors

#### **NO substitution for registration cards which have been lost**

The card must be shown at the LINE-UP (= assembly of all participants in one event class), take it to the jury desk before the start (fight), for protests and bring it to the victory ceremony

**NOTE**

**If a competitor is missing the LINE-UP he / she will be disqualified for the event !**

Competitors missing their registration card will be disqualified.

The registration card is also a “ticket” to enter the sporthall at the day of tournament.

### -MATCH TIME

**- Juniors –17 years / Seniors 18 years + / Team Sparring**

Match time for juniors is **2 x 1** minutes, seniors **2 x 2** minutes and Team Sparring **1 x 4** minutes for pre contest and finals.

## **-NEW STANDARD for MATCH TIME**

[www.etftaekwondo.de/timeout.pdf](http://www.etftaekwondo.de/timeout.pdf)

TIME-OUT (1x) substitutes „Break Time“

During the match the coach or the competitor may take ONE TIME a “TIME-OUT” of 10 seconds – at any time.

The time-out is also valid for the opponent.

It may be used for tactical advice.

Time-out must be shown to the referee by hand signal.

The referee then will stop the countdown timer.

After end of time-out both competitors have to continue the match immediately.

Otherwise a deduction point or disqualification will be possible.

All competitors at ETF Tournaments have to prove

### **-IDENTITY AND AGE**

by means of official documents = ID card, Passport or ETF Passport.

Otherwise a competitor will be **disqualified**.

### **-PROTEST**

A protest is only possible for offences against the competition rules, NOT against individual scoring decisions (+/-) of umpires and members of the jury (= valid scorings).

Video recordings will not be recognized as a legal proof in any case.

Protests will only be effective by the following measures:

- a) The protest must be declared **immediately** after end of match / technical presentation at the jury desk
- b) **Forward the official ETF protest form** to the tournament office
- c) Bring a **security amount of EUR 50 in cash** (Change of money is not possible))  
Restitution of security amount only by positive result of the protest !

**Protests at the ring or at the jury desk are strictly forbidden !**

Illegal protests in unfair manner will result in disqualification for competitor and coach.

### **-VICTORY CEREMONY (Individual)**

directly after the fights or presentations each class at the competition area

#### **TOURNAMENT SOUVENIR**

will be awarded to competitors, who have lost their match

### **„SMALL“-VICTORY CEREMONIES TEAMS**

At this events the **HEAD COACH** of the competition team will be awarded.

The coach has to attend the ceremony together with his team.

In case of the event class „Family“ Forms the head of family, not the team coach will be honored.

## **-VICTORY CEREMONY (Teams) Place 1-6**

### **INTERNATIONAL COMPETITION TEAMS**

Some difficulties in tournament organization and time delay may be possible during the event.

Tournament office and organizing team will provide the best service for all teams and competitors. But maybe the time table of the championships is not correct.

**Good luck for all participants.**

**See you at the ETF Championships in Germany.**
